1. From man-y grapes and grains of wheat, One host we bring to Thee our God; Trans-form we pray, this hum-ble gift To Je-sus' pre-cious flesh and blood.

2. Together, with this bread and wine,
We consecrate all that we are;
Impart to us the life divine
Of Him who joined us from afar.

3. For all Thy Church we pray to Thee,
Unite her, guiding from above,
And may we all one body be
In Christ's unbounded peace and love.
